Questions

Which of your 5 Circles of Influence you are showing up intentionally in? What's getting in the way in the other areas?

In your 5 Circles of Influence, where do you liberate, dominate, protect or abdicate? What would it take for you to shift towards being a liberating leader?

Explain the difference between a leader bringing high and low support and challenge with a couple of people - make sure they are from different circles of those you influence!

Ask them where they consider you to be showing up for them and how they show up for those they influence.
